APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application,
 and do hereby grant the same, subject to the following limitations and
 conditions:

This permit is issued subject to all prior rights on the
 source. It is understood that 1200 acre-feet of water per year
 herein granted is only a temporary allowance and that the final water
 right obtained will be dependent upon the amount of water actually
 placed to beneficial use. A suitable measuring device must be
 installed and accurate measurements of water placed to a beneficial
 use must be included in the proof of such use when filed. The State
 reserves the right to regulate the use of the water herein granted
 at any and all times.

The amount of water to be appropriated shall be limited to the amount
 which can be applied to beneficial use, and not to exceed 1200 acre-feet
~~outdoor feet per second.~~

Actual construction work shall begin on or before August 17, 1952

Proof of commencement of work shall be filed before September 17, 1952

Work must be prosecuted with reasonable diligence and be completed on or
 before August 17, 1953

Proof of completion of work shall be filed before September 17, 1953

Application of water to beneficial use shall be made on or before

August 17, 1955. Proof of the application of water to beneficial

use must be filed with State Engineer on or before September 17, 1955

Map Filed DEC 12 1951

Proof of commencement of work filed SEP 1 1952

Proof of Completion of work filed SEP 1 1953
